

NEIGHBORHOODS: Discover the Possibilities

Statewide Promotional & Sponsorship Opportunities

The 7th Annual Virginia Statewide Neighborhood Conference will be held at The Institute Conference Center at The Institute for Advanced Learning and Research, September 21 – 23, 2006. This is an excellent opportunity for communities across the State to come together and share their knowledge, experience and vision to make Virginia neighborhoods the neighborhoods of choice.

Each year the conference is attended by a diverse group of grass-roots neighborhood leaders and youth, non-profit and government staff, and others working in the field of neighborhood development. The one thing all attendees have in common is their interest in improving Virginia neighborhoods. Pre-registration information is directly mailed to over 3,500 community leaders and professionals across the State. Don't miss this chance to get your name and community-building success story in front of these statewide leaders. Join us in discovering the possibilities of neighborhoods by promoting your organization through conference sponsorship at the following levels:
